Dear Fellow Eagle Rock High School Alumnus:

Since March 2020, the Pandemic has restricted many activities. This letter is to assure you that the Eagle Rock High School Alumni Association (ERHSAA) is still an active organization. The Soaring Eagle Education Foundation (SEEF is the 501(c)(3) branch that oversees the scholarships and School Plaques) has continued to offer scholarships to seniors in 2020, 2021 and 2022. This year, over 60 scholarships will be awarded, totaling over \$60,000 to deserving seniors. Also, the 2021 Eagle Rock Alumni Directory is completed (Thank you Diana Ebersbacher!). The electronic version is already available online for those who purchased their directory that way and the hardcovered book is being mailed out now. Finally, we will recognize our 2020 Soaring Eagles recipients in April 2023 at the Women's 20th Century Club. Included in this letter is updated contact information for directors who are part of the Alumni Board. Take care & stay healthy! ~Koh Ikeda '82

Michael Lomen Gym Dedication

February 4, 2022 marked a special day in Eagle Rock High School History. Originally called the Boys' Gym, the building was officially renamed as the Michael Lomen Gymnasium. Many of the Lomen family came to see the dedication ceremony, which occurred before the Varsity Girls' Basketball game. Bill Whiting, former student (Summer '71) and coach, shared a brief biography of Coach Lomen. Having five daughters, Coach Lomen was an advocate for Girls' athletics, which became a reality in the 1970s. Michele (Lomen) Rendler, shared some memories of her father to the audience. Lomen Gym is the first building on the Eagle Rock campus to be named after an individual. It is the second oldest building on the campus, the auditorium being the oldest structure. In 2019, a major renovation project began to seismically retrofit

Lomen Gym. Additional upgrades were made to the gym, including new lockers, gym floor, bleachers, air conditioning, and lighting. The only other facility named after an individual on campus is the Don Mengel Athletic Field. Special appreciation goes to the Associated Student Body and Varsity Cheerleading Squad for providing a celebratory environment to the event.

The past two years have brought about changes to the ERHSAA and SEEF. Please make note of the updated list of names and contact information as shown below:
